

THE AARONIC PRIESTHOOD

NOTES:

1. Nadab and Abihu were killed without children for offering "strange fire" (Lev10:1-2; Num3:4).
2. Judgment was prophesied on Eli's line for the wickedness of his sons (1Sam3:12-13). This prophecy was fulfilled when Solomon put Abiathar out of the priesthood for his participation in the rebellion of Adonijah (1Kgs2:27).
3. Phinehas was zealous for the LORD when Balak tempted the men of Israel with the daughters of Moab (Num25:1). LORD made the "covenant of an everlasting priesthood" with him (Num25:11-13). Solomon made faithful Zadok high priest in the place of Abiathar (1Kgs2:35).
4. The "covenant of an everlasting priesthood" will be fulfilled in the Millennial Kingdom, during which the priests will be the "sons of Zadok" (Ezek40:46; 43:19; 44:15; 48:11).
